

Designed for a simpler experience and improved outcomes

Built around the doctor-patient relationship, Colorado Doctors Plan® is designed to offer your employees a simpler, more personalized health care experience.

A collaboration among UnitedHealthcare, Centura Health and HealthONE

Colorado Doctors Plan was created to make health care easier to access for your employees and easier for you to administer.

Simplicity

- Guidance to the right level of care by engaged primary care providers (PCPs)
- No referrals needed to see network providers and specialists

Access

- Broad provider access including extensive network in Denver metro area
- Multiple stand-alone surgery, imaging and urgent care centers, clinics, pharmacies and hospitals

Lower costs—up to 15% savings¹

- Designed to help avoid costly surprises
- Digital tools help employees compare costs and manage claims
- \$0 network copays

24/7 Virtual Visits

- Connect with a provider by phone or video*
- Providers can treat a range of conditions, from flu and pinkeye to migraines and more
- Get a prescription sent to a local pharmacy**

Easier to use

- **Online resources** that help employees find a PCP
- **Clinical resources** and support to help PCPs coordinate care
- **PreCheck MyScript®**, which eliminates surprises at the pharmacy by helping providers prescribe the lowest-cost, covered medication
- **Other tools** to enhance convenience

Dedicated local and nationwide support

- **Administrative support** from a dedicated team
- **Robust reporting tools**
- **Coverage options** that include multi-site and national plans

On-the-go access

- **Personalized care experience**
 - Providers collaborate with one another to coordinate care
 - Available throughout the 8-county area: Adams, Arapahoe, Boulder, Broomfield, Denver, Douglas, El Paso and Jefferson
- **UnitedHealthcare® app**
 - Helps employees find care, review and pay claims
 - Enables sharing their digital health plan ID card—anywhere, anytime
- **Better access and experience**
 - Research shows employees with a PCP have a significantly better health care access and experience²

Certain preventive care items and services, including immunizations, are provided as specified by applicable law, including the Patient Protection and Affordable Care Act (ACA), with no cost-sharing to you. These services may be based on your age and other health factors. Other routine services may be covered under your plan, and some plans may require copayments, coinsurance or deductibles for these benefits. Always review your benefit plan documents to determine your specific coverage details.

24/7 Virtual Visits is a service available with a provider via video, or audio-only where permitted under state law. It is not an insurance product or a health plan. Unless otherwise required, benefits are available only when services are delivered through a Designated Virtual Network Provider. 24/7 Virtual Visits are not intended to address emergency or life-threatening medical conditions and should not be used in those circumstances. Services may not be available at all times, or in all locations, or for all members. Check your benefit plan to determine if these services are available.
