[Text On Screen - Good news]

The good news is that when you're a member of your local Chamber of Commerce, you have access to a small business health plan designed to cut your costs by an average of 25% through the UnitedHealthcare Community Chamber Program.

In addition to lower costs, these plans are designed to give you more choice and flexibility, including exception from many Affordable Care Act regulations and state insurance premium taxes and the potential for a year-end surplus refund if planned participant medical claims are lower than expected.

[Text On Screen - Groups 5-50 not subject to adjusted community rating]

[Text On Screen - Please consult a tax and/or legal advisor to determine if, by receiving this refund, there are any restrictions or obligations, or whether the surplus refund is taxable. Surplus refund available only where allowed by state law.]

No matter which plan you choose, your plan participants get quality benefits, like access to a robust network of local providers and more than a million providers nationwide and HealthiestYou virtual care, where they can get non-emergency care any time right from their mobile device, at no cost.
